

DEVOPS ENGINEER

RIGA, LATVIA

WE ARE GROWING AND THAT'S WHY WE NEED
DEVOPS ENGINEER TO COME JOIN THE JOURNEY

POSITION

Your focus is on collaborating with developers to design, deploy, monitor, and troubleshoot services, to design and implement various security tooling around code, containers, and networking

You will implement and support Java REST/SOAP Web services as well as support and improve CI/CD

You will be troubleshooting across couple applications and infrastructure layers and providing after-hours support as needed for emergency or urgent situations

WHAT WE EXPECT

We expect you delivering value in the ways you didn't think you could

- If you value team collaboration and success and continuously learn new tools, technologies, and techniques,
- If you mentor and learn from others by encouraging positive attributes and attitudes in others,
- If you are comfortable with ambiguity and has excellent written and communication skills,
- if you are results-driven person and have a mindset that allows you to always think out of the box,

then we are on the same page and should talk.

REQUIREMENTS

- 3+ years experience of DevOps and/or build & release experience including delivery to production
- Experience with Git version control systems
- Experience with CI/CD tools (preferably GitLab)
- Experience with build automation tools (Gradle)
- Experience writing build scripts using Unix Shell (bash,ksh)
- Experience with Java REST/SOAP Web services
- Experience in containers and container orchestration (preferably Kubernetes)
- Hands-on Unix/Linux knowledge
- Experience with VMware virtualization
- Excellent English language skills

WHAT WE OFFER?

You will be working from both headquarters in Riga city center and remotely in a fast-paced and teamwork oriented international culture with high ethics.

No two days are the same, you will have an opportunity to participate in international projects and learn from high level mentors.

Competitive monthly salary range of **2800-3800 EUR** gross (depending on your level of experience and competence), health insurance, parking space next to the office and more.

Sounds interesting?

We do encourage you to apply:
